Education

- **City University of Hong Kong** — Hong Kong, China
  PhD Candidate in Engineering — *Nov. 2022 – Present*
- **Huazhong University of Science and Technology** — Wuhan, China
  Master of Engineering; GPA: 3.70/4.00 — *Sep. 2019 – Jun. 2022*
- **MINES ParisTech** — Paris, France
  Master en Sciences, Technologies, Santé, Mention Sciences pour l'Énergie; GPA: 3.70/4.00 — *Sep. 2019 – Jun. 2022*
- **Huazhong University of Science and Technology** — Wuhan, China
  Bachelor of Engineering; GPA: 3.73/4.00 — *Sep. 2015 – Jun. 2019*

Honors and Awards

- **2025** – Research Tuition Scholarship (100% tuition fee), City University of Hong Kong.
- **2025** – Outstanding Academic Performance Award for Research Degree Students, City University of Hong Kong.
- **2021** – National Scholarship, Huazhong University of Science and Technology.
- **2021** – Academic Scholarship, Huazhong University of Science and Technology.
- **2018** – National Encouragement Scholarship, Huazhong University of Science and Technology.

Conference Presentations

- **Poster Presentation**, 12th International Conference on Industrial Ecology (ISIE 2025), Singapore, July 2025. Research on delayed climate mitigation benefits of electric and hydrogen fuel cell vehicle deployment.

Teaching Assistance

- **Teaching Assistant**, CA5106: Project Management, City University of Hong Kong; Semester B, 2024 and 2025. Assessed coursework, midterm assessments, and final examinations.

Research Mentoring

- **Junior research students**: Provided informal guidance on literature reviews and academic writing to two postgraduate group members; one subsequently published a review article.
- **Research interns**: Guided four research interns on research tasks and manuscript preparation; two have completed manuscripts pending submission.

Academic Service

- **Manuscript peer review**, *Frontiers in Energy Research*: Contributed to two manuscript reviews (Dec. 2023 and Oct. 2025).

Professional Experience

- **United Nations Industrial Development Organization (UNIDO)** Vienna, Austria
  Intern *Dec. 2021 – Aug. 2022*
  - **Small Hydropower Development and International Expert Meetings**: Contributed to the 2022 World Small Hydropower Development Report by analyzing a database of over 100 countries. Supported the International Hydrogen Energy Center's expert meeting with agenda development and liaison work.
- **Institute of New Energy** Wuhan, China
  Project Member *Dec. 2020 – Jun. 2021*
  - **New Energy Industry Development Initiatives**: Assisted the Hubei Provincial Development and Reform Commission in drafting the 2021–2025 guiding opinions on new energy industry development by leading three research seminars, analyzing reports from 15 cities and 40 companies, and conducting an industry-wide survey.

Skills

- **IT Skills**: Python, MATLAB **Languages**: IELTS 6.5, JLPT N2
